APPLICANTS' SUMMARY OF EXAMINER INTERVIEW

July 18, 2008

TO THE COMMISSIONER FOR PATENTS:

The Examiner telephoned applicants' attorney, Rhys Lawson, on July 18, 2008 to indicate allowed and allowable claims. Claims 1-15, directed towards devices, were indicated as allowed, and Claims 16-47 were indicated as allowable if amended to recite the limitations of independent Claim 1. Applicants' attorney agreed that this would be best accomplished by the attorney and not through an Examiner's amendment. Applicants' attorney agreed to fax an amended claim set to the Examiner by the end of the working day on July 18, 2008.

In a second telephone call with the Examiner on July 18, 2008, the Examiner agreed to enter the faxed amended claims as an Examiner's Amendment. The Examiner indicated that the faxed amendment need not be filed with the USPTO and that the filing of an interview summary was optional. Applicants' attorney agreed with the proposal to file an Examiner's Amendment.

Respectfully submitted,
